DEADLINE FOR FINANCIAL AID APPLICATIONS – JANUARY 2, 2023

Dear Parents,

The Board of Trustees has set the tuition for the 2023-2024 school year at $39,900.

The Financial Aid Application for 2023-2024 is now available. The deadline for families of current students to apply is January 2, 2023. Late applications will be considered if funds remain. Families of new students may apply when accepted to the school.

Enrollment contracts with aid awards will be available online on January 18, 2023. Completed contracts are due by February 15, 2023.

Families must apply for financial aid each year. Please go to the School and Student Services (SSS) website to apply here. The Pilot School's code is 5784.

Please complete your application and upload your W-2 for 2021 and your 1040 tax return for 2021 by January 2, 2023. Your W-2 for 2022 and your 1040 tax return for 2022 must be uploaded on the SSS website by April 29, 2023. Please do not send these documents to the school.

All information you provide to SSS is confidential. SSS is a service affiliated with the National Association of Independent Schools (NAIS). The SSS model recommends the amount applicant families can pay towards tuition from their discretionary income. The Financial Aid Committee approves awards based on next year's budget and the funds available.

Sincerely,
